Dear Readers:

In these challenging times, we have been working to grow CircleTalk to offer **virtual** ways for you to bring older adults together during this pandemic.

Many seniors find themselves needing to physically isolate. CircleTalk is expanding our training to provide alternatives to face-to-face groups. Older adults need connection more than ever now! Our company philosophy is to fight the loneliness epidemic and we are pivoting to include training Circle Leaders to create **Virtual Circles**.

In Peace and Health, Deb

Be in touch, and [let us know](#) if there are **other ways we can support the excellent work that you are doing.**

May we all find sources of peace, health and love each day.
